Dear Sirs

Alterations to the Bridge over Liverton Brook, to remove and relocate the stone parapet on the south west elevation, and widen the bridge to accommodate a 10m road and adjacent cycleway/walkway (3m), as part of the widening of the A382. Associated demolition and rebuilding of two sections (60m section and 90m section) of the boundary wall of Stover Park and Garden at Stover School, Road From Stover Caravan Park to Forches Cross, Stover, TQ12 6QG.

Thank you for consulting The Gardens Trust (formerly the Garden History Society) and the Devon Gardens Trust on the above application near Stover Park, which is included in Historic England's *Register of Parks and Gardens of Special Historic Interest* at Grade II.

The Gardens Trust and the Devon Gardens Trust are supportive of the proposed road widening of the A382. We accept that there will have to be alterations to the listed C18 bridge as part of the road widening scheme and we consider that Devon County Council have produced the least harmful proposal.

Yours faithfully
John Clark
Conservation Officer
