F. W. MEYER (1852–1906)
A LANDSCAPE GARDENER IN DEVON

Carolyn Keep

Carolyn Keep is well known to members of the Devon Gardens Trust as a former Chairman and current Vice-President with a passion for researching Devon's parks, gardens, their designers and owners. The discovery of a collection of lantern slides belonging to Frederick William Meyer inspired her to research his life and work. ***"F.W. Meyer (1852-1906) A Landscape Gardener in Devon"*** is a fascinating insight into the life of a genial and contented family man, who worked mainly in the southwest of England, and who maintained strong links with his native Germany and travelled widely in Europe, especially in pursuit of his favourite alpine plants.
