Dear Sirs

Installation of temporary sun fish sculpture Civic Square, Plymouth

Thank you for consulting The Garden History Society on the above application which affects the Civic Square which is a site of national importance, as signified by its inclusion on the English Heritage Register of Parks and Gardens at Grade II.

The Devon Gardens Trust works in partnership with The Garden History Society in responding to consultations. We have viewed the application documents on you web site but we do not have any comments.

Yours faithfully
John Clark
